

# Hanover Safe Place

## Adopt-A-Family Program

Thank you so much for your interest in this year's Adopt-A-Family Program. Please fill out the information below, and return it to Hanover Safe Place, no later than November 22nd. We will do our best to have matches to you by Thanksgiving. We ask that all gifts be turned in to Hanover Safe Place by Wednesday December 20th, unwrapped. We also ask that along with the gifts, each organization donate tape and wrapping materials so that parents may wrap the gifts themselves. The families you will be adopting are recent clients of Hanover Safe Place. We are pleased you have chosen to help out these families during this holiday season! If you have any questions, please contact Stacie at (804)752-2728.
